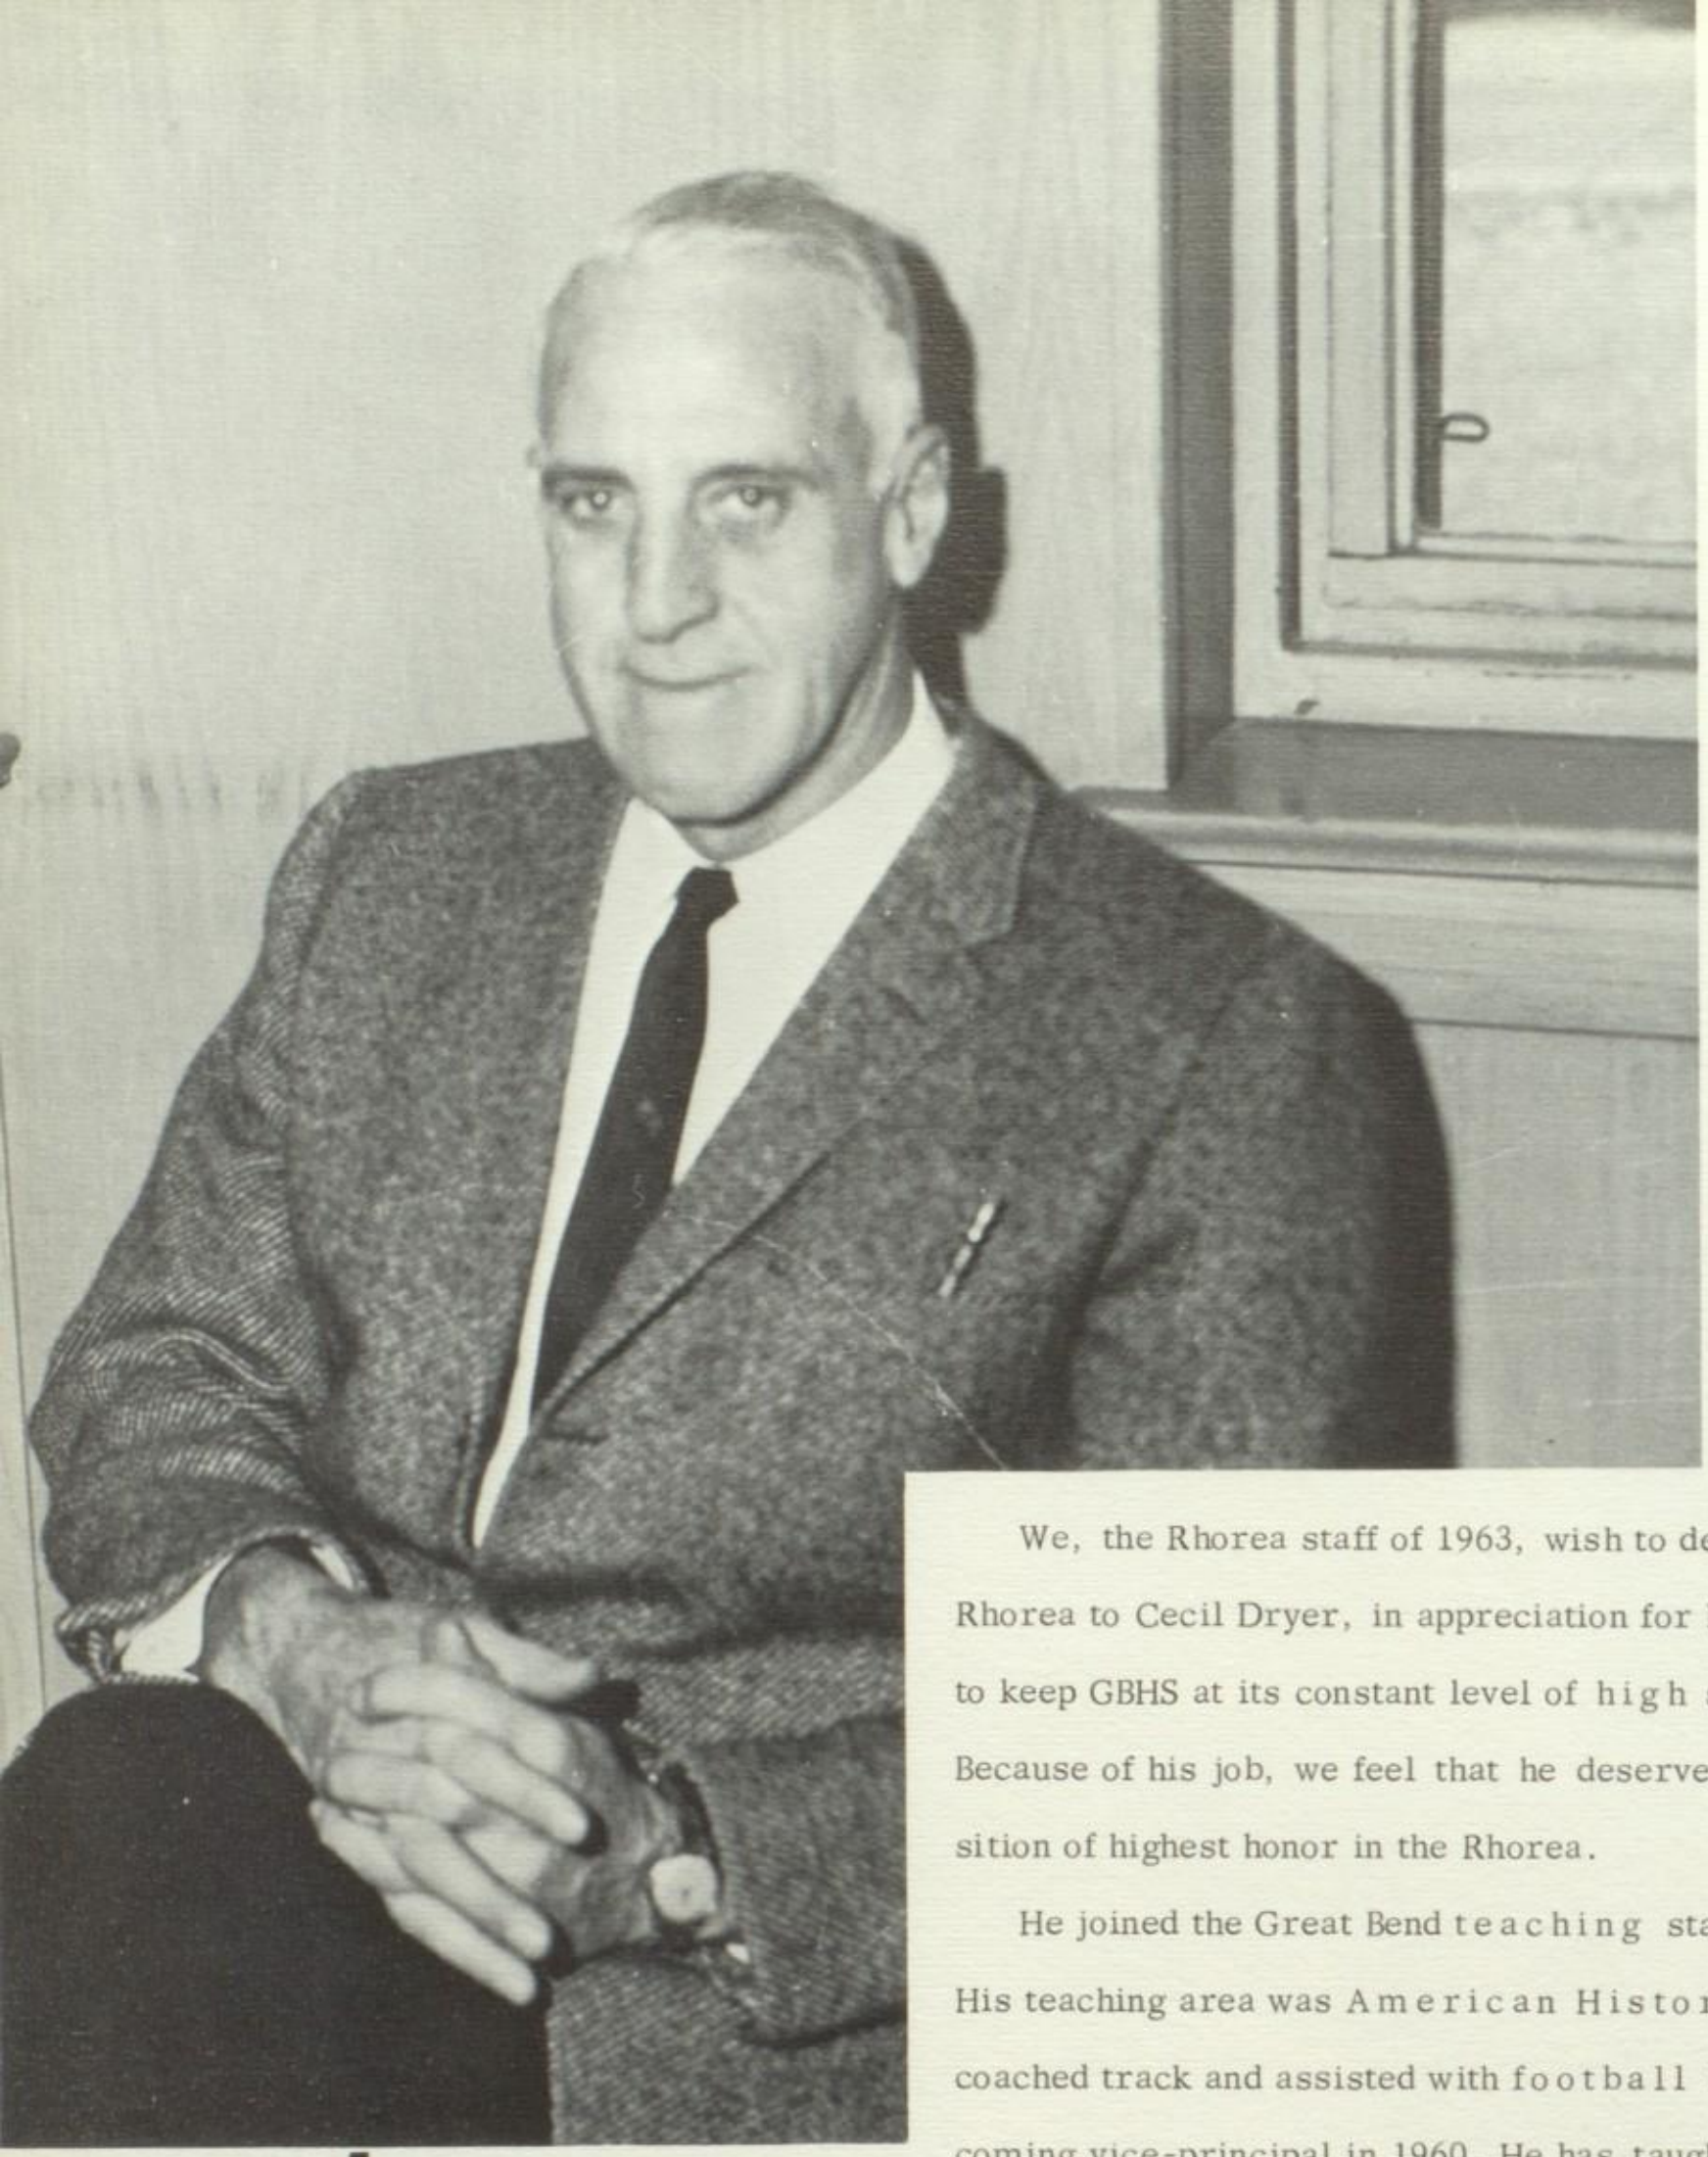
Great Bend, Kansas

Volume 44

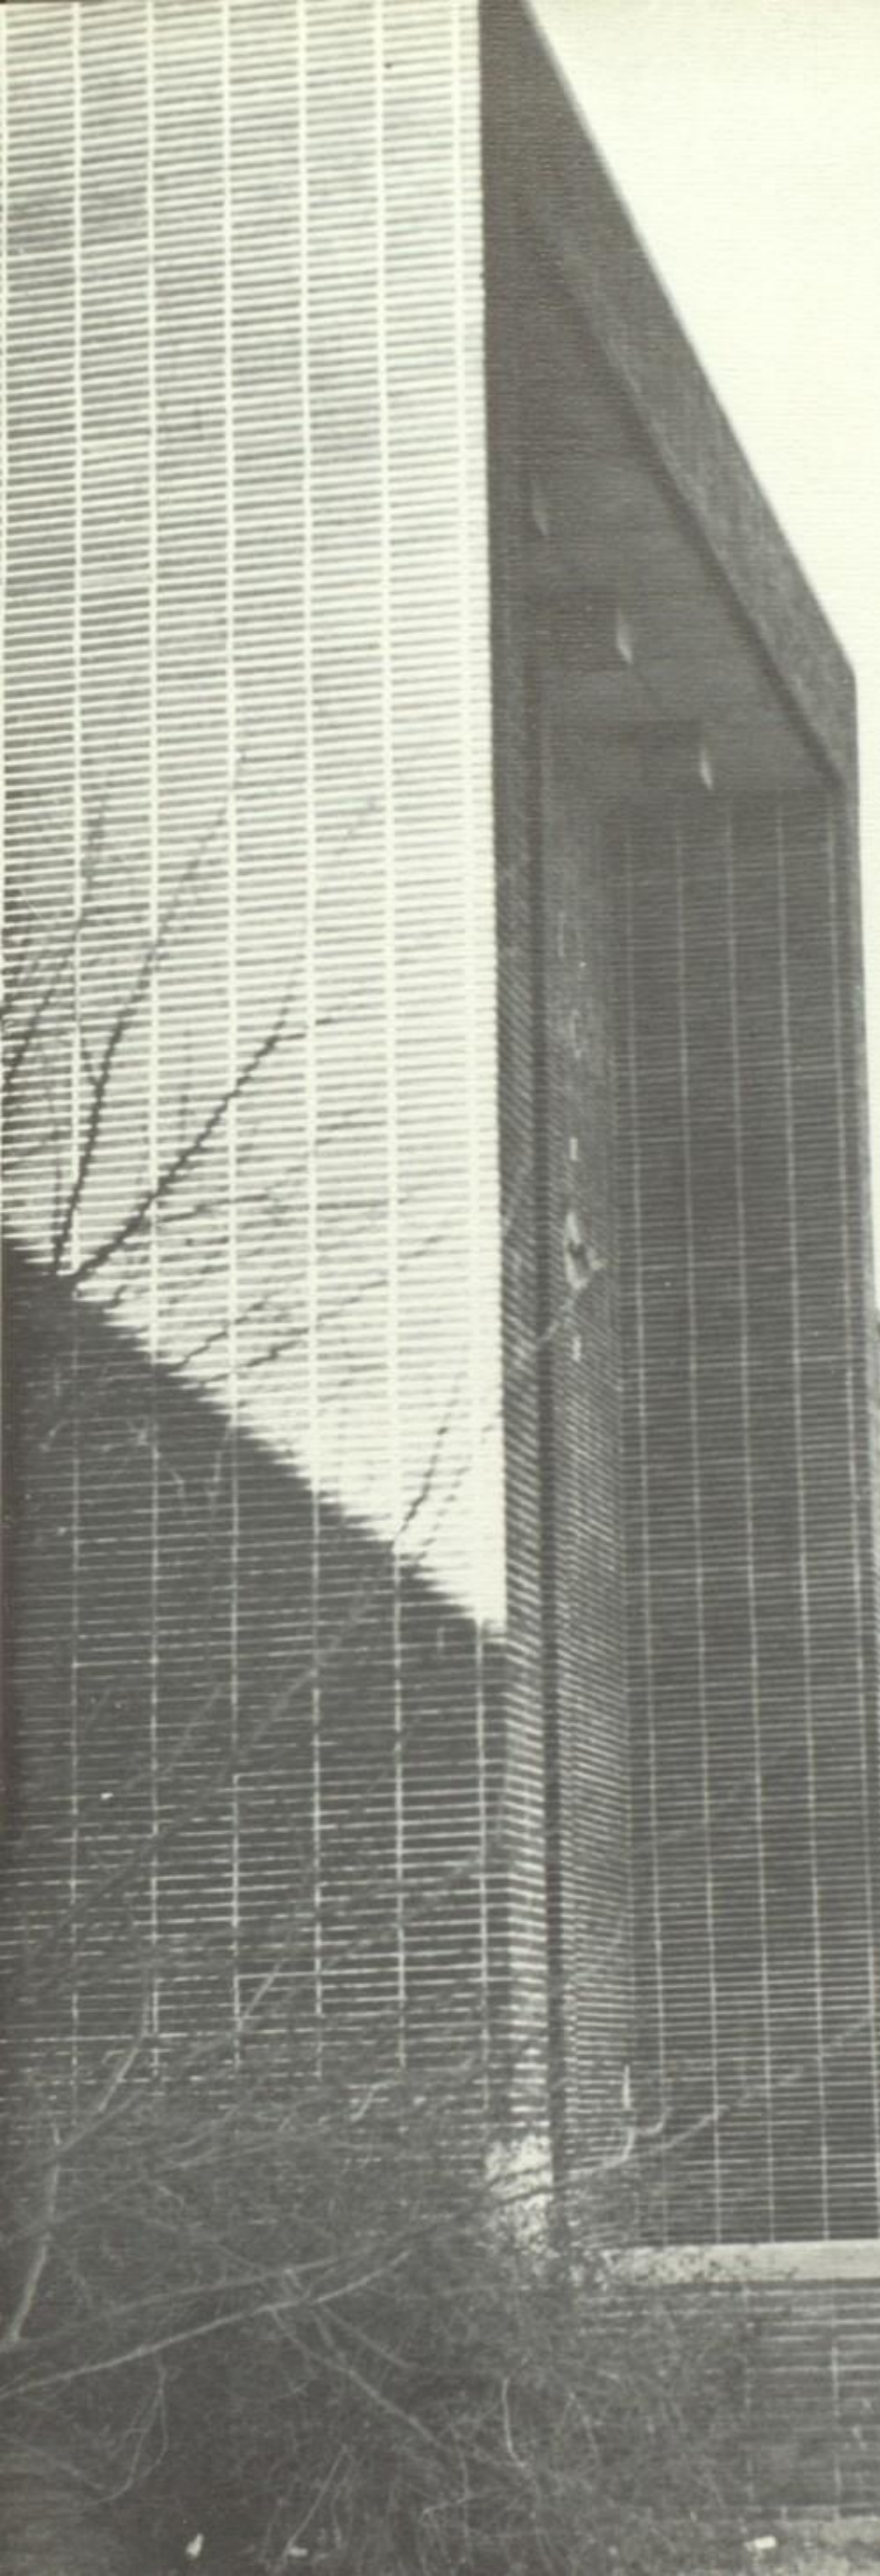


Dedication

We, the Rhorea staff of 1963, wish to dedicate the Rhorea to Cecil Dryer, in appreciation for his efforts to keep GBHS at its constant level of high standards. Because of his job, we feel that he deserves this position of highest honor in the Rhorea.

He joined the Great Bend teaching staff in 1954. His teaching area was American History, and he coached track and assisted with football before becoming vice-principal in 1960. He has taught about 25 years.

His unfailing friendliness and dignified expression help to keep Great Bend Senior High the friendly and well-functioning organization it is.



Foreword

We, the staff of the '63 Rhorea, hope that as you look through these pages now and in the future they will bring back fond memories of the '62-'63 school year. As you move toward new horizons may you be secure in the feeling that the knowledge you have gained in GBHS will give you the power to help unlock the mysteries of the world.

Face Problem of Building Expansion

This year, the school board and administration faced many problems. They spent many long hours on school policy and on such improvements as the addition of new venetian blinds and the painting of classrooms.

Due to the increased enrollment, the school board is working closely with Dr. Stanton Leggett, and architects from the firm of Hibbs & Pettit to enlarge facilities.

The student body of GBHS wishes to express gratitude to them for fine work.

Stuco Follows Democratic Principles

The Student Council of GBHS is a representative body of students who serve as a liaison between the students, faculty, and administration. STUCO, which has been in existence since 1940, is proud of its many accomplishments.

STUCO Centers its activities in three areas: learning and practicing democratic principles and methods, increasing school unity and spirit, and bringing about school improvement.

More complete representation and communication were established by placing a suggestion box in the hall, by reading STUCO minutes in homeroom, by summarizing the minutes in the Great Bend Daily Tribune, and by encouraging special interest groups to attend STUCO meetings.

Distribution of printed copies of cheers and more and better pep assemblies bolstered school spirit. The student body recognized the faculty with a Teachers Day complete with a coffee for faculty members.

STUCO hoped to establish a scholarship to award a deserving GBHS student and proposed other schemes in an attempt for more recognition for scholastic achievement. The foreign students of Kansas and their American brothers and sisters were hosted by the GBHS STUCO for a state meeting this year.

Through the efforts of STUCO, 1961-1962, GBHS was able to have its first foreign exchange student. Otfrid Liman, from Beedenbostel, Germany, proved to be a popular and interesting asset to the school. To raise money for an exchange student next year, STUCO sponsored the Harlem Clowns in an exhibition basketball game on February 25.

All participated enthusiastically at the STUCO money-raising basketball game featuring the Harlem Clowns.

The officers of Student Council this year are Marjorie Leek, secretary; Tom Curtis, vice-president; Earl Moses, president; and Cheryl Pettit, treasurer.

The Objectives Committee, headed by Richard Sankey, decides what STUCO will do to improve the school. Seated are Larry Ross, Doug Schmidt, Richard Sankey, and John Drake. Standing are Don Beahm and Cheryl Pettit.

"He's got us all guessing!" Clever Otfrid Liman, the foreign exchange student sponsored by Student Council, baffles Tom Curtis, Mr. Dryer, and Earl Moses.

Action Committees Meet Challenges

Social Service Committee, headed by Bob Kroeker, plans social events of the year. Seated are Coleen Peschka and Carol Fagre. Standing are Kenny Warner, Mick Gunn, Norman Krug, Dennis Dietz, Karolyn Nelson, Bob Kroeker, Lydia Walter, and Lynn Etchen.

The Building and Grounds Committee helps pick up after the games and is headed by Marty Reynolds. Seated are Lillian Kober, Marty Reynolds, Max Leek, Tom Cole, and Vicki Miller. Standing are Mary Ann Standley, L. F. Harper, Tom Curtis, and Mark Cassell.

The Finance Committee takes care of the money matters of STUCO and is headed by David Howell. Seated are Beverly Boxum and Molly McCarthy. Standing are Phil Quinley, David Howell, Rick Wilbur and Rudy Reissig.

Energetic and hard-working Student Council sponsors this year are Mr. Kline, Mrs. Hartman and Mr. Dryer.

Teachers, Counselors Encourage Learning

The Counseling Department assists in the development of a student's character and individuality. The congenial counselors give guidance to those students who desire their advice either in the solutions of personal problems or in the selection of a college or vocation.

The language arts of GBHS include French, Latin, and Spanish. Any one of these subjects, taken singly or in combination, should give a student a greater understanding of the English language. The qualified teachers try to create an interesting atmosphere in each class.

Homemaking teaches skills, such as cooking and sewing, that are useful in creating a successful home. This course prepares each girl for her future if she chooses the role of a wife, mother, and homemaker. The teachers take an enthusiastic interest in each girl as an individual.

Cooks, Custodians Create Cheerful Atmosphere

"Coming early--working late."
This statement rings true of our fine staff of cooks and custodians. Their cheerfulness and friendliness help to make the year more enjoyable for teachers and students.

MR. DAVID MILLER, custodian, is retiring after eight years of dedicated service. Mr. Miller joined the custodial staff in 1955.

In addition to keeping the building clean, Ralph Grunz, Norman Huschka, Walter Gates, and David Miller also maintain the school grounds.

"Our building we protect with pride from defacement" is fulfilled by Vern Baldwin and Waldo Behrendt, custodians.

Seniors

Juniors

Sophomores

With the year gradually drawing to a close, the Seniors are anticipating graduation with high hopes and mixed emotions, but with the confidence that they will be prepared to meet the problems of the future. The underclassmen are remembering that soon, they too, will be fulfilling this goal.

Phil Quinley, Roger Blackwell, Jim Daubert, Carol Papay and Phillip Briscoe discuss plans for Senior year.

The Senior Class of 1963 entered GBHS with an enrollment of 235. As Sophomores they put on a dramatic 1-act play "The Pink Dress" and worked at concession stands.

Starting their Junior year off right, the class numbering 227, presented a most memorable 3-act "The Big Fisherman". With a lot of hard work and imagination they carried out the prom theme "Isle of Dreams"

The class of '63 numbering 205, chose black and red caps and gowns for their commencement exercises. Everyone thoroughly enjoyed the class picnic and Senior week activities. Reginald Brack, Senior Vice-President of Braniff International Airways, was selected as the commencement speaker of May 28.

Class of '64 Exceeds Goal

For the first time in the history of GBHS the magazine sales reached and surpassed the goal of three thousand dollars. Vim, Vigor, and Vitality was the motto of the money-making Junior Class. More than 50 per cent of the Junior Class participated in the annual magazine sales. Mr. Carpenter's home-room ran high all the way and ended with a total of $697.80. Money for the successful Junior-Senior Prom was raised by working in concession stands and selling magazines. Mr. Carpenter served as head sponsor, his assistants were Mrs. Caraway, Miss Cox, Mr. Howell, Miss Lundstedt, Mr. MacDonald, Mrs. MacMannis, Mrs. Marshall, Mr. Parker, Mr. Smith, and Mr. Sweet.

Junior Class members and advisors selecting class rings are Marjorie Leek, Robert Kroeker, L. F. Harper, Coleen Peschka, John Brodbeck, R. E. Gunn, principal, Lydia Walter, Tom Cole, and Emerson MacDonald, sponsor.

Junior class officers are Tom Cole, president; Coleen Peschka, secretary; L. F. Harper, cheerleader; Bob Kroeker, vice-president; and John Brodbeck, treasurer.

Panther Pause

Ralph Brown relates disturbing news to Mrs. Dale Engleman in the Civic Theatre one-act play, "Sorry, Wrong Number."

Pantherettes practice for a half-time exhibition during a football game.

"Does Kaye Moman use toothpaste with stannous flouride?" inquires Dr. Mingenback.

Kayettes Sharon Percival, Patty Reynolds, Phyllis Schubert, Linda Birch, and Kathy Stubblefield, give the Christmas spirit a good start by decorating the school tree in the main hall.

Basketball players Tom Curtis, Roger Blackwell, and Larry Steinbacher, board the bus bound for the Dodge City game.

Commend Upper Ten Percent for Scholastic Prowess

The upper ten percent rating is based upon the scholastic accomplishment of seven semesters, with the final placement being made according to yearly grades in academic courses.

This award is a means of giving recognition to the GBHS students who have studied to achieve the high goals that they have set for themselves. It is also a means of congratulating them on this accomplishment.

"It doesn't matter how or where you study, just as long as you study", says Perry Schuetz, who qualified for the Upper Ten Percent group.

Joanna MacWilliams and Harold Jones, two Upper Ten Percent students, are often seen studying before class begins.

George Nossaman and Karen Bessmer look over the list of Seniors who qualified for the Upper Ten Percent honor.

Journalism students must maintain a B average during their senior year or be in the upper third of their class to become a member of this honor group.

Three NFL Members Earn Degree of Distinction

The National Forensics League is an honorary society for high school debate students. Members earn degrees by debating, participating in speech contests, and making public appearances.

The Great Bend chapter of NFL sponsored a debate tournament in January which ran quite smoothly with the help of numerous judges, Pep Club members, faculty, and other interested persons.

The four degrees offered are merit, honor, excellence, and distinction. The points needed to attain the degree and honor are merit, 25, and a certificate to which is attatched a colored seal for each degree; honor, 75, and an emerald pin; excellence, 150, and a sapphire pin; and distinction, 250, and a ruby pin.

Those who received the merit award were Allen Drennon, Katie McCarthy, Sharon Percival, Marty Reynolds, and Terry White. The honor degree was awarded to Bob Burk, Carol Burk, Rosalie Daubert, Pat Evens, Linda Herrod, Bob Kroeker, Max Leek, Sam Mays, Marsha Peterson, Susan Swartz, Tim Vaughan, and Fred Wilson. Those earning the excellence degree were Gary Kisner, and Earl Moses. The distinction degree was awarded to Karen Bessmer, David Howell, and Sandra Martin.

Practicing the skill that won them their berth are Joanna MacWilliams, interpretive prose winner, and Karen Bessmer, interpretive poetry winner.

Many Students Vie for Local Forensic Berths

More than eighty-five students participated in the local forensic elimination, February 21. The meet was directed by Mr. MacDonald and Mr. Parker. The categories were informative speech, orations, readings, interpretive poetry and prose, and extemporaneous speech. Winners represented the school at the league meet here on March 2. District contest was at Hays on March 22-23 with state competition at Lawrence April 19-20. Students eligible for state received a I at district.

Good organization paved the way for these two winners in orations, Carol Burk and David Howell.

Informative speech winners Sharon Percival and Sandy Martin congratulate each other.

Representing the publication staff Jane Clarke, JoAnn Fairbrother, Nancy Gore, Joanna MacWilliams, Dennis Michaelis, George Nossaman, Roland Nuss, Rogene Peters, Rudy Reissig, and Nola Stevenson are participating in Know Your School.

The members of Mr. Kline's class, "How to Study", participating in the radio program, Know Your School, are Louise Crandell, Carol Fagre, Ron Harders, Paula Smith, and David Yahne.

Broadcasts Inform Public of School Activities

The KVGB radio program, Know Your School, informs the public about the Great Bend educational system. Through informative speeches administrators, faculty, and students present a sketch of school life from the scholastic and extracurricular point of view.

Panther Parade, a weekly radio program, is presented on station KVGB. Its purpose is to make high school news public and to interview persons of interest to the students. Some of the highlights were the Thanksgiving and Christmas programs along with special interviews.

Tim Vaughn, David Howell, and Earl Moses composed, edited, and presented Panther Parade throughout the year.

Though much is learned in books, one needs the companionship of his associates to have a truly healthful and happy life.

Through membership in student organizations, character, self-confidence, leadership, and cooperation are developed among the students. For these reasons organizations and their members are considered an important part of the school; they therefore merit this section in the Rhorea.

Pep Club Members Are Team Boosters

Pep Club, the organization which probably does the most for team support, had 246 members this year. To belong to this club is an honor, and to earn the GB letter is an award for which many hours of work are required.

Major projects for the year consisted of sponsoring the Homecoming Assemblies and Crowning Ceremonies, selling mums for Homecoming, wrapping goal posts for the games, and hanging advertising posters before each game urging everyone to attend. Pep Club also sponsored a Corrigan Dance, at the end of a very enjoyable WPA week, which featured a Corrigan King.

New outfits consisting of black skirts, white long-sleeve blouses, red sweater vests and bright pom poms added color to the GBHS cheering section, and helped boost our team on to victory.

Kayettes Devote Time to Community

With the largest membership yet, the Kayettes, under the sponsorship of Miss Barbara Palmer, Miss Bette Buchaloo, and Miss Maline Lunstedt, devoted themselves to community and world projects.

By giving to Meals for Millions and Care, followed by a Cerebral Palsy drive, they started their year of service. They adopted an Indian child in Arizona to whom they sent a complete Easter outfit.

They added to the Christmas season by selling holly and trimming the tree in the main hall for the enjoyment of the students. They sponsored the Sadie Hawkins Dance in October and the Jingle Bell Ball in December.

Miss Vincent, the state director of Kayettes, visited the organization in April. They topped their successful year in the spring with a banquet for their fathers.

FTA Stimulates Interest in Teaching Profession

FTA is an organization that observes local teaching situations, prepares for future education, endeavors to improve character and personality, and enriches traits and qualities which good teachers possess.

The goal of Future Teachers of America is to stimulate a greater interest in the teaching profession. This years membership reached a total of 92 members.

The F.F.A. is a national organization of farm boys studying vocational agriculture under the provisions of the National Vocational Acts.

This year, the F.F.A. boys were occupied with various activities. At the State Fair the boys attended a livestock selection school and viewed F.F.A. farm mechanics exhibits. A group of them attended a registered livestock sale at Dodge City and purchased thirty head of cattle for project use.

Some of the boys attended livestock and dairy judging schools at Hutchinson, Haven, Larned, and participated in the State Judging contests at Kansas State University.

This Local chapter sponsored a livestock judging contest at the John M. Lewis Hereford Farm west of Larned. This contest attracts over 600 boys and girls from the western half of Kansas.

For social events the boys had a hamburger feed, a chili feed and a Parent & Son banquet.

Distributive Education, which was started in 1952, is a co-operative school work program for seniors. These students receive three credits, two for class work in the morning and one for work experience in a local firm during the afternoon.

Highlights of the year were the state convention at Emporia on March 11 and 12. The annual employee-employer dinner, which was a courtesy of the students for their employers, was on April 23. Verner Williams is the director of this group and was responsible for its organization in 1952.

B-Club officers for the 1962-63 school year were Dennis Morrison, vice-president; Roger Blackwell, president; and Leon Romme, secretary-treasurer.

"B" club membership is composed of boys earning a varsity or junior-varsity letter in sports.

Reserved season football tickets were sold at the first of the year to finance the customary spring picnic which is considered the highlight of the year. One of the projects this year was the placing in the gym, banners representing each school in the WCKL league.

JCL Enjoys Fellowship With Ellinwood Club

Mrs. Catherine Caraway, JCL sponsor, helps the club officers Martha Deason, president; Nancy Gore, vice-president and program chairman; and Judy Leiker, secretary-treasurer in planning a monthly program.

Roman life and customs are explicitly portrayed through programs in the Junior Classical League. Through skits, speeches, and conventions, Latin students acquire a knowledge of the history and myths of the Roman age.

The highlights of the year were a Roman banquet and a picnic with the Ellinwood JCL. An interesting spectacle of the picnic was the horse (girl) drawn chariot race.

The new club sponsor, Mrs. Catherine Caraway, received full co-operation from the officers and members. About seventy-five students participated in the club activities.

Pinata Party Highlights Spanish Club Year

Should you hear "Buenos dias", "Buenos tardes", or "Buenos Noches", in the halls, you have heard a typical Spanish greeting from a Spanish Club member.

The programs of the club consisted of humorous skits, mock radio programs, talks about the Spanish speaking countries, and even a pep assembly. Many of the programs were presented in Spanish.

December 13 marked the highlight of the year--the Pinata Party. The evening of dancing was climaxed by breaking the pinata--a crockery doll filled with candy and cookies.

The trip to Lawrence for the Spanish convention, Cervantes Day, was financed by a basketball concession in March. During the convention, members toured language laboratory equipment, watched skits and attended a lecture presented by a K. U. faculty member.

"Woops! You missed!" Larry Blankenship tries to break the pinata as members and guests watch.

French Students Study Customs & History of France

French Club sponsor, Mrs. Josephine Marshall, is shown with the club officers Martha Schumacher, secretary-treasurer; Bill Robinson, president; Patty Converse, arts chairman; Harold Jones, customs chairman; and Helen McKinney, vice-president and history chairman.

"Bonjour mes amis" is the popular greeting of students in the French Club, Le Cercle Francais. With the enchantment of France, the thirty-five members enthusiastically took part in the monthly programs planned by the Arts, Customs, and History committees. Mrs. Josephine Marshall served as club adviser.

The annual Christmas party, climaxing the events of the year, revealed French customs. At this occasion Martha Newbrey and Jim Parrish were deemed queen and king of the festivities by receiving the lucky piece of cake. The Spring Festival was held at Manhattan.

Satisfying their curiosity about the country's history, Helen McKinney, Tim Vaughan, and Sandy Martin enjoy reading a French novel.

Lucky lately? Pieces of cake contained the lucky charm for Jim Parrish and Martha Newbrey at the Christmas party.

Science Members Particicpate in Fairs

Striving to become better acquainted with the many aspects of the natural sciences, members of the club learn from field trips, experiments, demonstrations, and lectures. One of the field trips this year was to the Arthur Mullergren power plant.

The objective of each member this year was to prepare a project for the Science Fair at Pratt. It is unique to note that each year in the past one or more members have attended the National and International Science Fair. Lester Spong is the sponsor for the Science Club.

Safety Club Encourages Safety

Safety Club officers--Phil Quinley, sergeant of arms; Tom Cole, vice president; Patty Converse, president; Cheryl Pettit, secretary; John Brodbeck, treasurer--plan the year's events.

Over 400 students of GBHS are aware of the need for safety not only on the streets and highways but also at home and at school. To inform others of the importance of safety, members of Safety Club, placed safety plaques in the halls. Under the sponsorship of the club, the names of traffic violators were published in the PANTHER TALES.

With a pre-Christmas candy sale the club netted $657 which enabled them to attend the Hutchinson convention on March 22 and 23 and to present a $300 scholarship to one of its members.

Under the direction of the club sponsors, Dale Howell and John Munds, the Safety Club planned a car rodeo and a dance.

Talent and experience abound in the vocal music department. A total of 150 students participated in the A Cappella Choir, the Girls' Choir, Mixed Chorus, and Glee Clubs. All appeared in the production of the operetta, "The Red Mill," in the Thanksgiving Concert, the Christmas Concert, and the Annual Spring Pops Concert.

Highlighting the year for the A Cappella Choir, aside from the many performances, were the spring tour, the caroling party, and ensemble work. Several ensembles represented the school at district and state festivals. The Girls' Choir was formed for the first time this year. Members were selected by tryout and they laid a foundation for future work.

Under the inspired instruction of Miss Tubbs, the choruses were directed through an excellent year.

Ham Operators Enjoy Hamming

A Radio Club was organized this year for the first time in the history of GBHS. Students interested in getting experience as amateurs or "hams" formed this club for study. Members got together at school to study circuit problems and plan "jam" sessions for practice with their sets. Most members had their own "rigs" or equipment for transmitting and receiving. Sports play an important role in the lives of many students. Besides being a healthful and enjoyable pastime, it is also of prime importance that the participants acquire the art of getting along with others and displaying good sportsmanship.

This is what the students uphold when they say, "Our team we support, win, lose, or draw."

Posts 6-O League Record

The Great Bend Black Panthers, in winning the WCKL crown, had a perfect 6-0 league record and an overall record of 8 wins and 1 loss. They shutout 4 of 6 league members and 5 of 9 opponents.

The team this year was the most successful team since the 1956 team which ranked 4th in state and had an identical record of the team this year.

Using the single wing formation under Coach McKinzie, who is in his second year at the G. B. helm, the Panthers concentrated mostly on their running game but also had a fine aerial attack.

The highlight of the season was a homecoming victory over Salina, which ranked 3rd in state at the time and finished 4th. Great Bend was the only team to defeat Salina this season. This marked the first time since 1958 that Great Bend has managed a win over Salina.

An 18-12 first game loss to Hutchinson prevented the Black Panthers from becoming only the third team in the history of football at G.B.H.S., dating back to 1912, to win every game of the football season.

Which way should I go now?--is the thought of Leon Romme as he looks for running room on a kick return against the Hays Cadets. The Panthers shutout the Cadets 12-0.

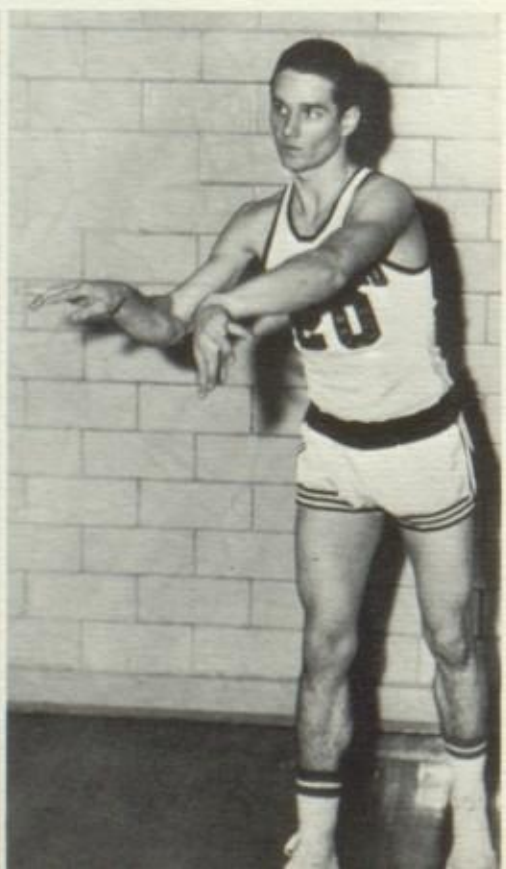
Panthers Fifth in WCKL

The 1962-63 basketball squad had an up and down season. Although they finished fifth in league, the team was capable of playing better ball than the record showed. This proof holds true as the Panthers beat top teams such as eighth-rated Salina, league champions Russell, and Larned.

One of the biggest highlights of the season was when the Panthers beat Wichita Heights in five thrilling overtimes for the Great Bend four team tournament first place trophy.

Co-captain Duane Lowry, besides shooting well, added rebounding power for the Panthers.

Co-captain Darrell Mohr used his jump shot as his main offensive weapon against Panther opponents.



The Panthers will lose six seniors through graduation. These seniors are Darrell Mohr, Roger Blackwell, Duane Lowry, Tom Curtis, Rick Rambin, and Mike Hutton.

The Panthers were rated fourth in state during the first part of the season. The team set a GBHS record for most points scored in a game when they beat Pratt 84-34. The margin of 50 points that Great Bend beat Pratt is also a Great Bend High School Record. The varsity was coached by Jim Nebergall.

Anticipate Good Season Against Strong Opponents

The Black Panther baseball squad will be looking forward to a fine season in 1963 as they lost only one member of the '62 team. The 1962 team compiled a record of 8 wins and 6 losses to complete a successful season. Ellinwood spoiled Great Bend's hopes of going to the state tournament by defeating them by one point, 6-5, in the regionals held at Great Bend.

The '63 team will have seven two-year lettermen, a total of fourteen lettermen, and several sophomores who will see plenty of action.

Last year, Tom Curtis, Panther second baseman, set an all time school record with a sparkling .408 batting average.

The main goal of the team is to win a berth to the state tournament. The baseballers are coached by Al Burns and assisted by two student managers.

Seniors Darrell Mohr and Rick Rambin, both two-year lettermen, will handle the pitching chores for the Panther team of '63.

Discussing their batting styles are two-year lettermen Ronny Ream and Roger Blackwell.

First Year of Varsity Wrestling for Matmen

The year 1963 marked the first year of varsity and only the second year of wrestling in GBHS history. Being the first year of varsity wrestling, the Panthers purchased new bright red foam rubber wrestling mats.

The '63 team will lose only two members and the '64 team should be a fine one next season.

The G.B. matmen placed 7th among 12 teams in the district wrestling meet held at Hutchinson. Two members of the squad placed in the district which allowed them the right to compete in the regionals held at Hoxie. The members were Ken Roylance who placed 4th in the 165 pound class and Roy Graves who finished 3rd in the 180 pound class. An outstanding job was turned in by Roy Graves as he placed 4th at the regionals and continued on to state competition.

Girls in She Sharks make one of their formations for the water show.

She Sharks Produce Water Show

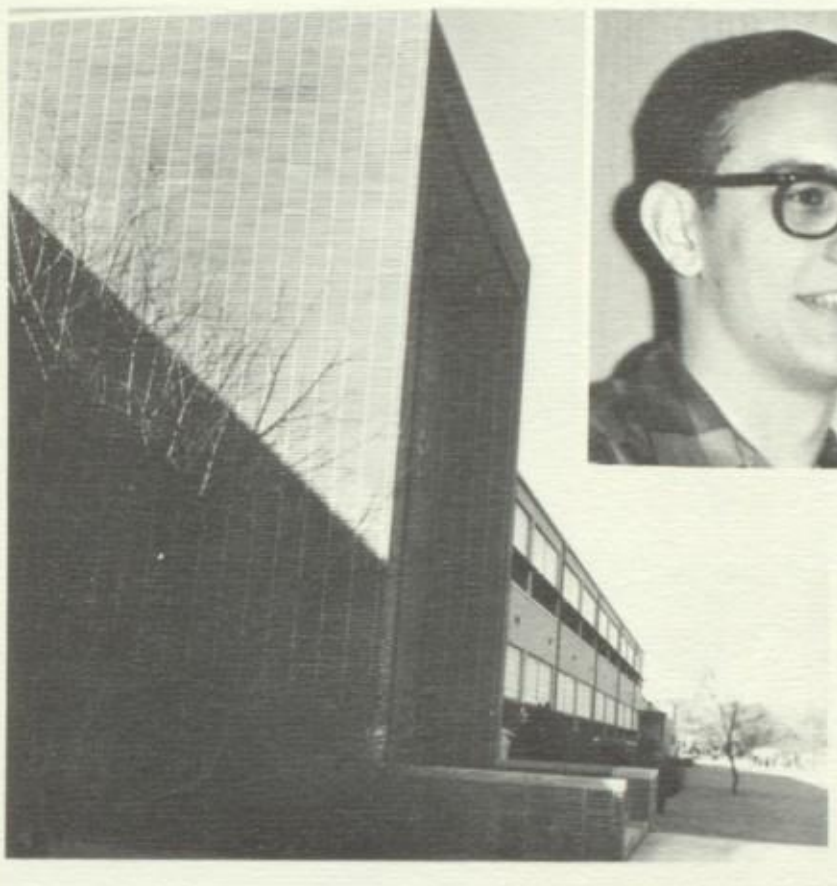
"She Sharks," the organization for girls of advanced swimming, meets after school to improve their swimming and diving skills under the direction and supervision of their sponsor Mrs. Jimison.

In April the girls put on a water show and different costumes were worn to illustrate the various selections. This year's theme was "Rhythm and Rhyme." Connie Cameron was in charge of publicity for the show and Nola Stevenson was student natographer.

Mrs. Jimison, sponsor; Nola Stevenson, natographer; and Connie Cameron, publicity chairman, plan formation for the water show.

MARY WESS: "These ardent faces of the student body reflect loyalty and school spirit."

CHERYL GIDEON: "Kayettes honor Mr. Miller as Kayette Sweetheart upon his retirement after eight years of cheerful work."

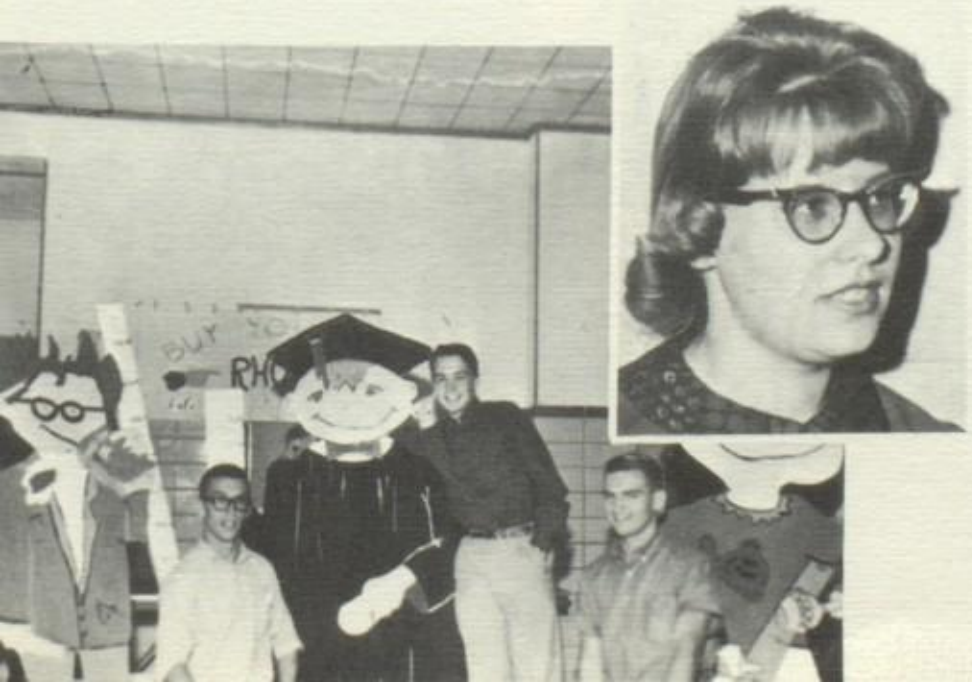


RUDY REISSIG: "The school itself reflects the character within."

'Photo Pheets'

The 1963 Rhorea is full of firsts, and the photography is no exception. Nearly all the informal pictures in this book were taken and processed by the five-member photography staff, the largest one the Rhorea has ever had. This page is a collection of the "favorite fotos" of each member of the photography staff.

CARMA DREHLE: "Tradition and class spirit were furthered by these nominees for Panther Pal."



NANCY GORE: "This picture, taken at the Sadie Hawkins Dance, illustrates the ingenuity and humor of GBHS STUDENTS."

New students who have entered GBHS since December first are FRONT ROW: Stanley Gross, junior; Frank Thornburg, junior; Kaye Stark, sophomore; Jo Elwell, sophomore. SECOND ROW: Lois Towe, sophomore; Kathryn Schauppner, senior; Brenda Immenschuh, sophomore; Gwen Redd, sophomore.

Panther Royalty

The honor of being chosen a GBHS King or Queen is an award which will be long remembered by the recipient.

Whether the queen and her court be chosen by the team or the student body, they exemplify fine personality and charm.

To the strains of "Autumn Leaves," Carolyn Krug was crowned football queen by co-captain Bob Gregg in a pre-game ceremony. Pam Orr and Keith Pringle served as flower girl and crown bearer.

In a morning assembly, the candidates were introduced to the student body. The cheerleaders presented the "Mustang Mash" in their honor.

The queen and her attendants reigned from a leafy throne at the victorious homecoming game and the dance afterwards. The intermission program of the dance consisted of songs, dances, and skits. The Kenneth Faulk combo and refreshments were provided for the enjoyment of all by the Panther Parents.

Basketball homecoming, March 1, was set in a scene of "Moonlight Becomes You." The morning assembly in the gym was for the introduction of candidates after which the Pep Club girls presented a clever skit. The throne was skillfully made with silver lettering on a black background.

After the B-Team game, Pat McMillan was crowned queen by co-captain, Darrell Mohr. The Panther squad presented her with a victory over Garden City, and she continued her reign at the dance following, sponsored by the Panther Parents. For her entertainment, Carol Bigham sang, the Gulifords performed, and a combo of Mick Gunn, Don Beahm, Larry Blankenship and L.F. Harper played. The coronation was a fitting climax to the basketball season.

Corrigan Week, March 18-23 was climaxed with the Corrigan Dance, A tradition at GBHS for a number of years. "Corrigan" was an aviator who flew east instead of west for his destination.

"Backward Corrigan" is the theme during this week. Girls carry the boys' books and pay their way for shows and cokes during the week.

The Pep Club, sponsored by Mrs. Jimison, worked busily decorating and making preparations for the dance. The high light of the evening came when Marueen O'Brien, president of Pep Club, crowned the Corrigan King, Darrell Mohr.

Surpassing all previous financial records in GBHS, the juniors showed enthusiasm and determination in acquiring sufficient funds for the 1963 Junior-Senior Prom.

The theme, "Rhapsody of the Deep," suggested the lure of the miraculous beauty of the seas. Contrasting colors of blue, pink, and pearl in the throne and ceiling decorations created a romantic setting for the attending couples. The ingenuity, artistry, and capability of the class were evident in the elegance of the Prom.

The Last Word

The empty halls of GBHS echo with the noise and turmoil of a school year that is over--the roar is deafening. For those who will graduate, the emptiness is a little sad--for those who will return to GBHS in the fall, the emptiness is a symbol of a summer vacation.

We, the editorial staff of the 1963 RHOREA, sincerely hope that every member of the student body finds his summer to be pleasant and fruitful. As the underclassmen move up the ranks to the position of upperclassmen, may they experience the same feeling of pride and satisfaction in their school that we have.

This RHOREA is now a memento of things in the past--the last page has been typed and the last picture taken--the book now belongs to you.

We express special thanks to our staff. The many long, hard hours given by the staff members have been responsible for the success of this yearbook. Without their efforts, the production of this book would have been impossible.

Now that the year is over, and we can lean back and relax, we truly hope that the book we have produced through many hours of care and frustration will become an approved history of the 1962-63 school year--if so, our job has been justified.
